LOCATION CAFÉ "TROPENCAMP"

The **Café "Tropencamp"** is located on the second floor and has a direct view over the jungle pond. The location is divided in three subareas.

On the inside terrace the guest can experience a tropical storm with thunder, lightning and rain. The indoor area is air-conditioned and suitable for a buffet and bar area. Furthermore this area can also be used as a dance floor. The outdoor area is a big, partial roofed, sun terrace.

Depending on the kind and dimension of your event, the Café "Tropencamp" can be combined with the event hall "Orangerie" and the Restaurant "Urwaldblick".

LOCATION "ORANGERIE"

The **event hall "Orangerie"** is the biggest event location at Biosphäre Potsdam and is directly connected to the jungle hall.

The "Orangerie" is not just convincing with its big size, it also has huge glass fronts. One is towards the jungle hall, the other is with a view towards the Volkspark Potsdam.

Even more characteristic features are the tree and ivy ridges, which both can be wonderful eye-catchers during your event. The many palm trees are both a visual highlight and can be used for an individual space design, too.
